Announcement of Release

Request for Qualifications (RFQ) for Project Developer for UCR Health Outpatient Pavilion Project

The Request for Qualifications (RFQ) packet referenced above has been released (in electronic format only) on **Monday, July 11, 2016**.

The RFQ process will be managed through the [University of California Public Bid Site](#) (also known as “uBuy”), which can be accessed directly by selecting the link above (‘Ctrl + Click’). Among other useful links on the uBuy site are instructions on how to register and how to submit a response. **Potential Respondents will need to register with uBuy** to participate in this RFQ process and log in to their account to obtain RFQ Documents on or after the above-referenced release date. More details regarding the RFQ process, including the “event” name and ID number, will be provided by email on the release date.

The RFQ documents also may be viewed and downloaded directly from the UC Riverside Capital Asset Strategies website at: http://cpp.ucr.edu/rfp_rfq.html. **Please note, however, that Responses to the RFQ must be submitted electronically through the uBuy platform, and only those potential respondents who register through the platform will continue to receive notices regarding the RFQ after its release.**

If you have questions about the uBuy site, please contact UC Procurement Services Support at support@ucprocure.zendesk.com. For any technical issues, contact SciQuest Supplier Support at 1-800-233-1121 and select option 3.

Questions regarding the RFQ should be submitted through the uBuy platform (See “Q&A Board” in “Tools”). If you have matters that cannot be resolved via one of the above methods, please contact CASoutreach@ucr.edu.
